

About K-State Rodeo

KSU Rodeo Club prides itself on 75 years as a student led organization. All of our National Intercollegiate Rodeo Association card holding athletes are required to maintain academic and leadership position in order to compete at collegiate level rodeo. Throughout the year, the rodeo club hosts many events, the main event being the Annual K-State College Rodeo. This rodeo has been hosted in the historic Weber Arena right here on campus and maintains the highest attendance rates of all the Central Plains Regions Rodeos.

Mission Statement

To promote and educate students and the general public on the history, heritage, and tradition of rodeo. We strive to facilitate opportunities for student athletes to participate in rodeo by providing professionally coached practices in a safe environment for our dedicated cowboys and cowgirls.
